

**Faith for life**Biblical resources for
people with dementia

Faith For Life Seminars

How can you support the faith of people living with dementia?

Date: 27 November **Time:** 9.30am - 12pm (Morning tea provided)

Venue: Erina Community Baptist Church, 349 The Entrance Rd Erina NSW

Register: online at www.biblesociety.org.au/get-involved or call 0417 467 076.

Bible Society Australia and HammondCare are pleased to invite you to our free Faith for Life seminar, as we explore faith, dementia and HammondCare's Biblical resources for people with dementia. Join us for a panel discussion and Q&A session as we consider how to encourage and support people living with dementia to engage with faith and the Bible.

David Martin, General Manager, HammondCare At Home

As part of HammondCare's senior leadership team, David's growing Home Care team specialises in dementia care and now serves 3,500 clients across 4 states. David is a passionate member of his local church and brings a wealth of experience in both aged care and Christian faith.

Rev. Andrew Nixon, Head of Pastoral Care and Volunteer Services, HammondCare

Andrew leads a team of dedicated Pastoral Care Coordinators who care for more than 9,000 clients and their families, 4,000 HammondCare staff and 1,000 amazing volunteers every year! Andrew also has a very personal journey with dementia with his dad.

Paul Pickering, Senior Pastoral Care Coordinator, HammondCare

Paul leads a large team of Pastoral Carers offering emotional and spiritual care for people living with dementia. Paul also lectures at Morling College on Pastoral and Spiritual care in dementia, and about palliative settings.
